Dear 10.2.e

I refer to the Services Agreement effective as of January 14, 2014 between Medtronic Vascular, Inc. ("Medtronic") and yourself ("Consultant") which is due to expire on January 14, 2016 (the "Agreement").

Based on our mutual understanding, we propose that Compensation Section of the Agreement be modified to read as follows:

For Services performed at Consultant's site, which were previously scheduled, Consultant agrees to an incremental time (payment per hour) for Services rendered. For clarity purposes, Medtronic will not pay for the time to perform the already scheduled procedure, but will pay for the time spent prepping and explaining the procedure to others.

The Consultant will be compensated for the delivery of the aforementioned activities with a daily fee based on the fair market value and the actual working days.

In addition, Medtronic shall pay 10.1.c + 10.2.b + 10.2.e plus VAT if applicable, maximum for travel time compensation, for air travel (one way) greater than six hours in duration (air travel time only). Total round trip travel time compensation shall amount to maximum 10.1.c + 10.2.b + 10.2.e plus VAT if applicable.

We also propose that the Agreement be extended until January 14, 2018.

Except for the changes indicated above, all other terms and conditions thereof shall remain the same.

If this is acceptable, please indicate your agreement thereto by signing in the space provided below and returning an original signed copy of this letter to Medtronic.
